

## Binghamton University Graduate Student Organization

Dear Graduate Student,

The Graduate Student Organization will issue fee waivers to GSO members that are enrolled in an **exclusively online degree program**. As waiver eligibility is based on a program of study, students who may be studying remotely for a semester as a result of the pandemic are not eligible unless they are enrolled in an exclusively online program.

- You can find more information related to fees at the following site:

Sincerely,

Angel Beltre
